My Family

This is my brother Tyler. He let me jump on him and play with him when I was little. I like it when he takes me to Castle Park to ride on the Log Ride.

Growing up

When I was two I rode in a Little Tikes car that I had to push with my feet, but now I can drive a gas powered car. I win every race that I enter!!

My Pet Elephant

My mom let me keep an elephant for a pet one day. For breakfast, I gave him ten bags of peanuts. After breakfast, he took me to soccer practice on his back. In the middle of practice he thought that the ball was a peanut and he ate it! My team was mad until he gave us slide rides on his trunk. For lunch we went to Chuck E. Cheese, but he couldn't fit through the door. so none of us got to eat or play games. Maybe an elephant wasn't a good idea. I took him back to the zoo that afternoon. Tomorrow I think I'll ask for a camel!

My Favorite Place

My favorite outside place is Disneyland.
When I was five we had year passes
and went a lot! We took pictures with
just about every character in the place.
I also went on every ride that year.

The best ride I went on was Star Tours because it looks like 3D space travel. When we were on the canoes I kept splashing the guide so he threw my paddle across the lake. Each visit my mom bought us a churro to share. I really like Disneyland!

Logan and Spot

Once upon a time there were two friends. Their names were Logan and Spot. They lived in Riverside, California. One day Logan and Spot went to a party.

They wanted to play games and win lots of prizes! The first game was a popcorn eating contest. Spot ate and ate but didn't win. The second game was an egg toss. They didn't win because Spot caught the egg in his mouth and squished it. They were getting very sad but decided to try one more game. They both played at Bingo and won! Their prize was a funny face ball. What a great day!
