## The Invitation

It was fun to hear  
pounding on the door and  
open it to find a big rock, a  
sign taped to it and some  
little rocks. After moving it  
all to my kitchen counter,  
we saw that the rocks  
spelled out Cameron  
Lasky.

Of course, preparations began immediately. First on the list: Finding the perfect dress! I had a fun day with Mom shopping for it. We were lucky to find so many choices - but decided on this one.

The Hair

I loved planning all the details, my hair, nails, make-up, shoes, purse. It was all so fun. Kind of like playing dress-up as a little girl - but this time was for real and I felt like a princess!

Cameron was smart and got me a wrist corsage. It took me more than one try (& mom's help) to get it right. Our red roses were a perfect accent to our classic black and white tuxedo and dress.

The Send-Off

My family (with Brady and friends) were there to send us off. Cameron had planned things perfectly. Dinner at Alpine Country Club and pics taken over at the school before heading to the dance.

We had such a fun  
group to go with. Good  
friends make such a big  
difference. Everyone  
looked gorgeous and we  
were all just so happy to  
be together at our Junior  
Prom!

## The Stairs

When we picked out the Wells Fargo building for the dance, we imagined how gorgeous the promenade down the stairs would be. Girls floated down all night in a rainbow of color.

As a member of student council, I helped plan everything. I got to pick out crowns and tiaras for the prom royalty. All the pieces came together so successfully for a beautiful night.

The Theme - My Wish

This song will always hold a magical place in my memories now! As they played the theme we enjoyed the moment celebrating friendship & success by dancing & singing along to the song at the top of our lungs.

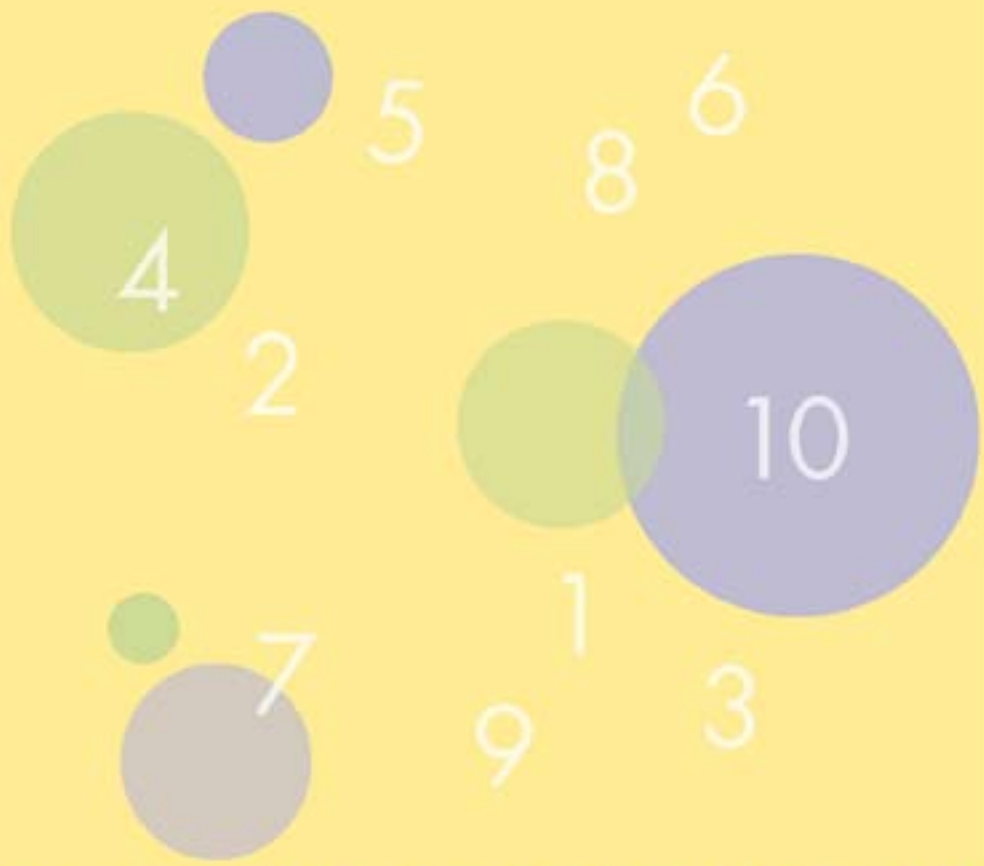

The guys had planned everything so perfectly.

After walking around downtown, during the ride home we had sparkling cider and snacks. We were relaxed and just enjoyed each other's company!

Is that this life becomes all that you want it to  
Your dreams stay big, your worries stay small  
You never need to carry more than you can hold  
And while youre out there gettin where youre gettin to  
I hope you know somebody loves you  
And wants the same things too  
Yeah, this is my wish
